

Mass Separation Notice

Employer Name:

Employer Account Number:

Note: A separate "Mass Separation Notice" must be completed for each shutdown with a different employer account number.

This form should be filed by an employing unit either when requested to do so, or in accordance with 56 Ill. Adm. Code 2920.25. If you anticipate a shutdown for vacation, inventory or other purposes, all information on this form must be supplied. The department is requesting that you provide the names and Social Security numbers of employees affected by this shutdown. Without this information, our offices may not be aware of the shutdown. Unemployment Insurance benefits may be erroneously paid to workers who receive vacation pay during the shutdown.

If you receive a notice of claim filed during a shutdown for inventory or vacation purposes, you should complete and return the Notice of Unemployment Claim (ADJ030F), as instructed, if:

1. The worker has received or will receive vacation pay for a period of unemployment subsequent to the plant shutdown, or
2. The worker refused an offer of work during the shutdown period, or
3. You have knowledge which indicates that benefits should be denied for other reasons.

Please complete, sign and return this form at least three weeks prior to the beginning of the shutdown to the Illinois Department of Employment Security office as instructed or fax to (312) 793-6814.

If you need additional space, please use the other side of this document, if appropriate, or attach a separate sheet of paper.
